

## Tabla Fill in the Blank

When in college, Jim had the opportunity to study \_\_\_\_\_. There he learned to play a pair of drums called \_\_\_\_\_. To play music from India, he had to learn a style of \_\_\_\_\_ that involved counting to large numbers. To help him, he purchased a small device called a \_\_\_\_\_. This helped him keep time.

Jim is very happy playing his instrument. He practices making different sounds called \_\_\_\_\_. Did you know you can actually speak the sounds the drum makes?

The Tabla is an instrument that plays \_\_\_\_\_. This means it often plays with other instruments. Do you know any other instruments that often play together?
